

## The Art of Disciple Making

Phil Schrock

Discipleship is a \_\_\_\_\_ to be traveled, not just another \_\_\_\_\_ to be taken.

Be open to what \_\_\_\_\_.

Discipleship can be \_\_\_\_\_ and it comes with a \_\_\_\_\_.

Jesus met people where they were:

As he \_\_\_\_\_ with them, he was \_\_\_\_\_  
to sow the seeds of the \_\_\_\_\_ by way of teaching and  
\_\_\_\_\_

Jesus example of discipleship in the \_\_\_\_\_ century is a good example for his followers in the \_\_\_\_\_ century.

We should find discipleship a \_\_\_\_\_ and a \_\_\_\_\_.

Being \_\_\_\_\_ with discipleship goes \_\_\_\_\_ the temporal things of life and \_\_\_\_\_ to the \_\_\_\_\_ issues of the heart.

Jesus heard their \_\_\_\_\_, but he helped them to see there were more important \_\_\_\_\_ to ask.

The art of \_\_\_\_\_ is a \_\_\_\_\_ that repeats itself in a \_\_\_\_\_ process.

True discipleship creates \_\_\_\_\_ from others and causes us to become more \_\_\_\_\_ on God, himself.

We need to \_\_\_\_\_ this responsibility of helping others live a life of \_\_\_\_\_ and \_\_\_\_\_.

The main purpose of \_\_\_\_\_ is to help a person grow into one who is always \_\_\_\_\_ to know God more \_\_\_\_\_.
